INCOMPATIBILITY OF OFFICES

The common law doctrine of incompatibility of offices prevents an elected official from holding two offices simultaneously if the offices have overlapping and conflicting public duties.

Government Code Section 1099 stipulates that if public officials hold two different public offices simultaneously, they must not have overlapping and conflicting public duties. Each position must be a “public office” in order for this code section to apply. In any case in which an incompatibility of office is determined, the person is “deemed to have forfeited the first office upon acceding to the second”.

GOVERNMENT CODE 1099(c)

A person is not allowed to hold two public offices simultaneously if:

- 1) Either of the offices may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over the other office or body.
- 2) Based on the powers and jurisdiction of the offices, there is a possibility of a significant clash of duties or loyalties between the offices.
- 3) Public policy considerations make it improper for one person to hold both offices.

The Attorney General’s office has given numerous opinions on the subject of incompatible offices. If you have any questions about whether two public offices would be considered incompatible offices, contact your attorney, or the Attorney General’s office (<http://caag.state.ca.us>).

Some examples as provided by the State Attorney General include:

1. The offices of city councilman and school district board member where the city and the school district have common territory.
2. Fire chief of a county fire protection district and a member of the board of supervisors of the same county.
3. Water district director and school district trustee having territory in common.

MCE does not have the authority to determine incompatible offices. Pursuant to Elections Code §10510, nomination documents may be issued to one candidate for separate offices provided those offices are in separate districts. In no way does this imply a determination to the compatibility of offices. Please contact the district offices for the offices of interest.

GATHERING SIGNATURES FOR PETITIONS

A number of offices require that a candidate first be nominated to run for office by means of nomination signatures on a petition. Circulators (whether the candidate or another person at least 18 years of age) perform the important duty of obtaining signatures of properly registered voters for the Nomination Petition. If the signatures are not obtained properly and in accordance with the law, the candidate's right to be placed on the ballot could be questioned. All candidates should try to obtain the required number of signatures as soon as possible in order for the elections department to examine and file or certify to the Secretary of State, as the case may be.

Petition Circulator Information

Anyone who is circulating a Nomination Petition must be 18 years of age or older. Any person obtaining signatures (including the candidate), who is otherwise qualified to sign the papers may do so and their signature shall be given the same effect as any other qualified signer.

- This means a candidate may circulate and sign his/her own petition.
- This means a circulator other than the candidate may sign ("personally affix") so long as he/she is eligible to sign.

ELECTIONS CODE 102, 106

Affidavit of Circulator

All petition circulators must complete, in **HIS OR HER OWN HAND**, the following:

1. The printed name of the circulator.
2. The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.
3. The dates between which all the signatures to the petition or paper were obtained.
4. The circulator circulated that section and witnessed the appended signatures being written.
5. That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his or her name at length, including given name, middle name or initial, or initial and middle name. The circulator shall state the date and the place of execution on the declaration immediately preceding his or her signature.

ELECTIONS CODE 104, 8041, 8066, 8106

NOTE: "In his or her own hand" means the person must physically write in the information themselves.

Qualified Signers

Only a person who is a registered qualified voter at the time s/he signs the nomination petition or signatures in-lieu petition is entitled to sign it. Each voter shall, at the time of signing the petition or paper, **PERSONALLY AFFIX HIS OR HER OWN** signature, printed name and place of residence giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained. If a voter is unable to personally affix the information required, another person may print the information, but the voter must affix his/her mark or signature, which shall be witnessed by one person who shall sign their name as such.

ELECTIONS CODE 100, 100.5, 8068

The Valid Signature

It is important that the candidate or his/her emissary make a concerted effort to obtain valid signatures as invalid signatures may slow the filing process causing unnecessary delays for the candidate and his/her campaign.

A Signature Can Be Challenged If:

- the signer is not a registered voter
- the printed information (name, address) are not written in by the signer (i.e., a spouse wrote in the address for the other spouse)
- the signature on the petition does not compare to the signature on the voter's affidavit of registration
- the signer does not reside in the appropriate district;
- the voter is not registered with the same political party as the candidate (for Nomination Papers for partisan offices, i.e. Central Committees);
- the signer uses a PO Box number or other mailing address for residence
- the signer has moved and did not re-register
- the signer prints his/her name for the signature (unless registered as such)
- the signer uses ditto marks for an address
- the signer authorizes Power of Attorney to sign on his or her behalf
- the signer already signed a maximum number of petitions for the office
- incomplete address/missing city and zip code

Voters May Sign Only As Many Papers As Seats Available

No signer shall, at the time of signing the petition, have his or her name signed to any other Nomination Paper for any other candidate for the same office. Or, in case there are several places to be filled in the same office, signed to more Nomination Papers for candidates for that office than there are places to be filled.

BALLOT DESIGNATIONS GUIDELINES

Each candidate must complete the ballot designation worksheet at the time the candidate files his/her Declaration of Candidacy. The worksheet is used in part to facilitate review of a candidate's proposed ballot designation. Ballot designations are governed by Elections Code Sections 13107, 13107.3, 13107.5 and the California Code of Regulations (CCR) Title 2, Division 7, Section 20711.

The ballot designation will appear on the ballot under the candidate's name, designating the current principal profession, vocation, or occupation of the candidate in three words or less. The listing of a designation on the ballot is OPTIONAL.

ELECTIONS CODE 13107(a)

Ballot designations become public once filed on the "Declaration of Candidacy." Ballot designations cannot be changed by the candidate after the final date to file for office.

ELECTIONS CODE 13107(g)

No title or degree shall appear on the same line on the ballot as the candidate's name, either before or after the candidate's name, in the case of any election to any office.

ELECTIONS CODE 13106

No political party, whether or not it has qualified for the ballot, shall be accepted as a ballot designation.

ELECTIONS CODE 13107(e)(5)

Format of Ballot Designation

Ballot designations should not exceed the maximum 55 characters. If there are more than 55 characters, the ballot designation may be abbreviated at the direction of MCE to fit the ballot.

A ballot designation may be an elective office title, officeholder status, or profession.

The following examples illustrate each type. Combining these types is not permitted.

- 1) Incumbent: The word "Incumbent" may be used if the candidate is seeking re-election to the same office and was elected to that office by a vote of the people or was appointed as a nominated candidate in lieu of an election.
- 2) Appointed Incumbent: The phrase "appointed incumbent" may be used if:
 - a) the candidate holds an office by virtue of appointment and is a candidate for the same office; or,
 - b) a candidate for the same or other office, the word "appointed" and the title of the office.

The phrase "appointed incumbent" is not required of a candidate who seeks reelection to an office that they hold and to which they were appointed in-lieu of an election.

Example A: Appointed Incumbent

- 3) Elective Office Title: Words designating the elective public office held, provided the officeholder was elected to the office.

Example A: Governing Board Member

- 4) Principal Occupation: 3-Word Profession/Occupation/Vocation - No more than three words designating the current principal professions, vocations, or occupations of the candidate.

Example A: High School Teacher

Example B: Attorney/Educator/Rancher

Example C: Businessman/Councilmember

- 5) Retired: The use of the word “retired” in a ballot designation is generally limited for use by individuals who have permanently given up their chosen profession, vocation or occupation. The following factors can help determine if you can use the word “retired”:
- a) Prior to retiring from his or her principal profession, vocation or occupation, the candidate worked in such profession, vocation or occupation for more than 5 years.
 - b) The candidate is collecting, or eligible to collect, retirement benefits or other type of vested pension.
 - c) The candidate has reached at least the age of 55 years.
 - d) The candidate voluntarily left his or her last professional, vocational or occupational position.
 - e) The candidate's retirement benefits are providing him or her with a principal source of income.

If a candidate is requesting a ballot designation that he or she is a retired elected official, the candidate must have previously voluntarily retired from elective office, not have been involuntarily removed from office, not have been recalled by voters, and not have surrendered the office to seek another office or failed to win reelection to the office. If such a candidate did not voluntarily retire from public office, he or she may not use the word “retired” in his or her ballot designation.

A candidate may not use the word “retired” in his or her ballot designation if that candidate possesses another more recent, intervening principal profession, vocation, or occupation.

- 6) Community Volunteer: A Community Volunteer shall constitute a valid principal vocation or occupation subject to the following conditions:
- a) A candidate's community volunteer activities constitute his or her principal profession, vocation or occupation.
 - b) A candidate may not use the designation of “community volunteer” in combination with any other principal profession, vocation or occupation.
 - c) A candidate is not engaged concurrently in another principal profession, vocation or occupation.
- 7) No Occupation Desired: If no ballot designation is requested, the word “NONE” and the candidate's initials must be written in the space provided for ballot designation on the Declaration of Candidacy form. The space provided for the ballot designation on the official ballot will be blank.

Unacceptable Designations

Designations will not be accepted if:

- It would mislead the voter.
- It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
- It abbreviates the word “retired” or places it following any word(s) it modifies.

Unacceptable: Ret. Policeman
Policeman, Retired

- It uses a word or prefix, such as “former” or “ex”, which means a prior status, except for the word “retired” which is permitted.

Unacceptable: Former Policeman
Ex-Policeman

- It uses the name of any political party, whether or not it has qualified for the ballot.
- It uses a word or words referring to a racial, religious, or ethnic group.
- It refers to any activity that is prohibited by law.

ELECTIONS CODE 13107(e)

Rejected Ballot Designations

If a declaration of candidacy bears a designation in violation of any of these restrictions, the candidate shall be notified by registered mail and shall, within three days from the date of receipt of the notice, appear at the Election Department and provide an alternate designation. If the candidate fails to provide such an alternate designation, no designation will appear after the candidate’s name on the ballot.

ELECTIONS CODE 13107(c)(1)(2)

No Ballot Designation

If the candidate fails to or does not want to give an occupational designation on their declaration of candidacy their name will appear on the ballot with no designation.

Word Count Criteria

The following are the guidelines for computing the word count for candidate statements.

- ✓ The word count begins after the headings: Occupation and Age.
- ✓ In the event that occupation carries on to the second line, the word count will begin on that second line.

Each word in the candidate statement is counted as one word except below:

Punctuation	Punctuation is not counted.
Titles	Words used by MCE as part of a standardized heading, such as “Argument in Favor of Measure Z” or “Statement of Candidate for Mayor” are not counted.
Cities/Counties	All geographical names shall be counted as one word. For example, “Monterey County”, “City of Salinas”, “County of Santa Cruz”, and “City and County of San Francisco” are considered one word. The names of school districts, special districts and political subdivisions are considered geographical names as well. For example, “North County Fire Protection District” and “Monterey Peninsula Community College District” are each one word.
Proper Nouns	All proper nouns, including geographical names, shall be considered as one word; for example, “City and County of San Francisco” or “Salinas High School” shall be counted as one word. (Generic location terms such as “North County” or “South County” do not constitute proper nouns and each word will be counted separately)
Hyphenations	Hyphenated words that appear in any generally available U.S. dictionary published in the last 10 years shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word. Elections has a dictionary on hand and will reference this dictionary as the deciding factor.
Dates	Dates consisting of a combination of words and digits shall be counted as two words. Dates consisting of only a combination of digits shall be counted as one word. October 29, 2007 shall be counted as two words, whereas 10/29/2007 will be counted as one word.
Numbers	Any number consisting of a digit or digits shall be considered as one word (i.e. “100”). Any number that is spelled shall be considered as a separate word (“one hundred” is two words).
Phone & Internet	Website addresses or telephone numbers are one word.

CAMPAIGN DISCLOSURES

All candidates for state and local offices are required to file campaign disclosure statements. Additionally, any committee formed to support or oppose a candidate or ballot measure is required to file campaign disclosure statements.

The **Fair Political Practices Commission (FPPC)** is the authority on all matters relating to campaign disclosure. Questions and comments should be submitted directly to the Commission.

NEW! Contribution Limits set forth in the Political Reform Act of 1974 (AB-571)

Effective January 1, 2021, Assembly Bill 571 sets a limitation on contributions to a candidate for elective office in a city or county in which the local government has not established a limitation. Monterey County has not independently imposed limitations on contributions to candidates for elective offices in the jurisdiction. All candidates and/or committee controlled by that candidate **must** follow the contribution limitations established by the state. Further review of AB-571 is published here:

Ordinance Requiring Electronic Filing of Campaign Statements

On October 3, 2017, the Monterey County Board of Supervisors adopted an ordinance amending Chapter 1.10 of the Monterey County Code authorizing and requiring electronic filing of campaign disclosure statements, reports, and other documents with the Registrar of Voters of Monterey County. All elected officers, candidates, committees, or other persons for whom the Registrar of Voters is the filing officer will be required, with few exceptions, to file campaign disclosure statements, reports, and other required documents electronically.

The adopted ordinance authorizes and will require electronic filing of the following documents:

FPPC forms required to be filed electronically:
460 – Recipient Committee Campaign Statement
461 – Major Donor and Independent Expenditure Committee Campaign Statement
496 – Independent Expenditure Report
497 – Contribution Report
450 – Recipient Committee Campaign Statement – short form

The few exceptions include:

FPPC forms that will be accepted in a paper format:
501 – Candidate Intention Statement
410 – Statement of Organization Recipient Committee
425 – Semi-Annual Statement of No Activity
470 – Officeholder and Candidate Campaign Statement – short form
700 – Statement of Economic Interests

The filing system, NetFile, is a web-based filing system that allows individuals to electronically track contributions and expenditures and submit campaign statements. Alternatively, most third-party campaign accounting systems will produce an electronic file that you may upload to NetFile and use to file your statements electronically.

A kiosk is available at MCE to file, view and print nonredacted statements. In addition, one-on-one trainings with Netfile are available.

Terminating your committee

If you do not officially terminate your committee after the election, you will be required to continue to meet periodic filing deadlines, in addition, committees will continue to have to make an annual payment of \$50 to the Secretary of State's Office.

You may terminate your committee if:

(All the following criteria must be met.)

- You have filed all required campaign statements.
- Your final campaign statement has a \$0 balance.
- You do not anticipate receiving further contributions.
- You do not anticipate making further expenditures.
- You are not expecting a refund for filing or ballot statement fees paid from committee funds.

The following forms must be completed to terminate your committee:

In addition to checking the appropriate "Type of Statement" box, remember to check the "Termination" box on all termination statements. Please visit www.fppc.ca.gov or call 1-866-275-3772 if you have any questions about how to terminate your committee.

- **Form 410** – File original with the Secretary of State (SOS) and a copy with your local filing officer
- **Form 460** – File original with your local filing officer

Form 470 Semi-Annual Filing Requirement

Successful candidates must file a Form 470 for the July 31 semi-annual filing each year if their public salary is \$200 or more/month. The form must be filed with your filing officer.

Late Filings

There are no provisions for granting "extensions" of the filing deadlines. If a candidate, officeholder, or committee is required to file a statement with MCE and has failed to do so by the deadline, MCE may provide written notice that the statement must be filed within 10 days (5 days for 2nd Pre-Election Statement) noting that a fine of \$10 per day beginning the day after the filing deadline until the date the statement is filed will be assessed unless waived by the Elections Official. The maximum penalty is \$100 or the total amount of contributions received or the total amount of expenditures made (whichever is greater) during the period covered by the late statement.

Fines may not be waived if a statement is not filed within 10 days after specific notice is sent by the elections official (or 5 days for 2nd Pre-Election Statements). Failure to file a statement after appropriate notice will be referred to enforcement official and can result in substantial criminal, civil and administrative penalties.

Multiple Committee Filing Requirements

Whenever a candidate or officeholder has more than one committee, whether the committees are formed for the same office, or a different office in the same jurisdiction, all committees must file statements each time a committee statement is due.

Whenever an elected officeholder in one jurisdiction runs for an elected office in another jurisdiction, the officeholder and all committees they control must file campaign disclosure statements with the filing officer in the jurisdiction in which the officeholder holds office and in which the officeholder is seeking office.

Recipient Committee Treasurer

Under California’s Political Reform Act, a person or organization that receives contributions totaling \$2,000 or more in a calendar year to support or oppose state or local candidates or ballot measures qualifies as a recipient committee and must have a treasurer. No contributions may be accepted and no expenditures may be made without a treasurer. The candidate can act as their treasurer; however, it is not recommended.

In general, elections can only allow 250 cards to be checked out to any individual or group. More cards will be supplied as completed cards are submitted.

For quantities of 2,000 or more, the distribution form is transmitted to the Secretary of State's Office.

STATEMENT OF RESPONSIBILITY INSTRUCTIONS

Dear Candidate or Committee Member:

In as much as you are a candidate for elective office or a proponent or opponent of a ballot measure, this reminder about local ordinances governing the placement of signs, including temporary political signs, in the unincorporated areas of Monterey County should be helpful to you.

There is a blanket prohibition against all inanimate modes of expression, including political signs, when erected or affixed to public property or utility poles.

However, the County of Monterey's regulatory scheme does permit placement of temporary political signs on private property, excluding commercial billboards, under conditions summarized as follows:

1. The property owner has given permission for the sign placement.
2. The sign is placed no earlier than sixty (60) days prior to the scheduled election and is removed within ten (10) days after.
3. A "Statement of Responsibility" has been filed with the Director of HCD certifying a person who will be responsible for the placement and removal of the sign.
4. The sign must comply with all building and zoning ordinances.

You may obtain copies of the ordinances related to the placement of political signs at HCD Planning.

Please pass this information along to those assisting in your campaign. "Statement of Responsibility" forms are enclosed for your use. Completed forms should be sent to the HCD - Chief of Planning, 1441 Schilling Place – South, 2nd Floor, Salinas, CA 93901. The forms may be delivered to HCD - Planning during normal business hours.

NO SIGNS MAY BE POSTED UNTIL A "STATEMENT OF RESPONSIBILITY" HAS BEEN RECEIVED BY THE HCD CHIEF OF PLANNING.

Because the ordinances direct removal of signs that do not comply with the ordinances and further direct the billing of the responsible party, we are calling these provisions to your attention to avoid possible embarrassment to you and your supporters.

COMMON QUESTIONS AND SITUATIONS

Campaigning During COVID-19

We understand your campaign is facing unprecedented challenges during this difficult time. The same creativity and fortitude you employ in running your campaign while adhering to health and safety guidelines will serve you well in public office. Please note, the Monterey County Elections office is responsible for the neutral administration of elections and cannot, under any circumstances, provide the services of a political consultant or campaign manager. Health authorities such as the Centers for Disease Control and Prevention, the California Department of Public Health, California COVID-19 Response, and the Monterey County Health Department provide guidance on how to safely interact with people during this pandemic. Resources are available at <https://www.co.monterey.ca.us/government/departments-a-h/human-resources/facts-about-covid-19>

Pulling and Filing of Nomination Petitions

Each candidate must file a ***nomination petition containing the minimum number of valid nominating signatures required by the office***. The elections office will accept the maximum of signatures allowed by the office and strongly recommends that candidates submit more than the minimum. The candidate must file the minimum of valid nominating signatures when submitting their nomination petitions. The elections office will not take less than that number for an initial filing.

All signers must be registered voters in the County of Monterey and be registered within the same political party and district (if applicable) (CAEC § 8068). No signer shall sign nomination petitions for more candidates than there are offices to be filled. Each signer must personally print his or her name and residence address on the petition. Only signers with complete address information are acceptable. Ditto marks are NOT permitted when successive signers have the same address. One person in the household or the circulator writing in the address for other voters is not permissible.

Each person who circulates a nomination petition must be 18 years of age or older. All signatures on a nomination petition must be obtained and witnessed by the same circulator. A candidate may circulate and sign his or her own petition.

If a candidate is unable to file in person, he/she may designate a person to act on his/her behalf. A written statement, signed and dated by the candidate, authorizing a person to receive the “Declaration of Candidacy” form and all other nomination papers from MCE is required. Candidates may obtain the “Authorization Form” at MCE. If the candidate will not be filing in person, the “Declaration of Candidacy” must be notarized before filing. Because an original signature is required, nomination documents may not be filed by fax or email. The candidate’s designee may only receive and deliver papers and may not make any changes on the nomination documents.

ELECTIONS CODE 102, 8028, 8068

How Names Appear on the Ballot

A randomized alphabet drawing is the basis for determining the order of the candidates on the ballot. Each candidate will be placed on the ballot in the order that each of the letters of his/her surname was drawn. For example, the placement of candidates with the surnames of Campbell and Carlson will depend on the order in which the letters M and R were drawn. Six calendar days after the end of the filing period, the Secretary of State conducts a drawing of the letters. For the June 2022 election, the drawing will be conducted by the Secretary of State on:

- March 17, 2022 – Statewide Direct Primary Election

For an office of a State Senator or Member of the Assembly, which includes more than one county, the elections official in each county will conduct a random alphabet drawing. The results of this drawing will determine the order of Assembly candidates in each respective county.

Votes Needed to Advance to the General Election

Voter Nominated Offices

On June 8, 2010 California voters approved Proposition 14, which created a “top two” or “open primary” election system. Under this Top Two Candidates Open Primary, offices that were formerly known as “partisan offices” (state constitutional offices, US Congress, and state legislative offices) are now known as “voter nominated” offices. What was known as “political party affiliation” is now known as “political party preference.” The Top Two Candidates Open Primary does not affect the offices of US President or county central committee.

Prior to the Top Two Candidates Open Primary Act, during a primary election, candidates of the same political affiliation ran against each other with the top vote-getter from each party advancing on to the general election. Independent candidates, and those wanting run as write-in candidates could do so in the general election, but not in the primary election.

Under the Top Two Candidates Open Primary Act, all candidates, regardless of party preference, will run on a single ballot in the primary election. The top two vote-getters will move on to the general election. Candidates will no longer be allowed to run as “independents” or write-ins” at the general election.

The top two candidates in the following offices, regardless of political party affiliation, will appear on the November ballot:

- U.S. Senate
- U.S. Congress
- State Assembly

ELECTIONS CODE 8141.5, 8142

Nonpartisan Offices (County)

County Supervisor or other county office will appear on the November ballot in a run-off election if a candidate does not receive 50%+1 vote in June.

Election Night Activities

Election results are available on the internet at www.MontereyCountyElections.us, shortly after 8:00 p.m. on Election Night. Results are updated throughout the night. Election Night results are not the final results of the election. Final results are certified by the Registrar of Voters after the canvass period is completed. The canvass period may extend for up to 30 days after the election.

Post-Election Night

Beginning the day after the election, a complete audit of all returns is performed. All qualified uncounted Vote-by-Mail and provisional ballots are processed and counted. Additionally, all votes cast for qualified write-in candidates are counted. Election code requires the canvass to be completed within 30 days of the election.
