

**Argument in Favor of Measure C**  
**San Lucas Union School District**

Every child deserves to learn in quality school facilities. Your YES VOTE on Measure C will prepare generations of our local students for future success. While our teachers and staff do a great job educating local students, many classrooms and buildings in the San Lucas Union School District are outdated and inadequate to provide students with the school facilities they need to succeed. NO other funding currently exists to upgrade these facilities.

Our students need your **YES** vote on **Measure C!** Aging classrooms and facilities must be upgraded since many do not meet 21st century standards. A local school improvement measure would allow the District to continue improving the quality of education provided to local children. By investing in new facilities, we can help our students get the educational attention they deserve.

**Measure C will improve San Lucas Elementary School by:**

- Modernizing outdated classrooms, restrooms and school facilities
- Repairing or replacing leaky roofs
- Making health, safety and handicapped accessibility improvements
- Replacing outdated heating, ventilation and air-conditioning systems
- Improving P.E. fields and facilities for school and community use, including constructing a new athletic track and related facilities

**Measure C makes financial sense and taxpayers are protected.**

- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- All bond funds must be spent locally and cannot be taken by the State.
- Funds are required to be spent only on schools, not for administrator or teacher salaries.

Measure C will provide our students with the necessary facilities to help them excel in the 21<sup>st</sup> century. Please **VOTE YES ON MEASURE C!**
